## DRUMLINE & MAJORETTE PROGRAM

“Cultivating Young Creatives to Soar”

## BRAVE

Bypass Restrictions And Victoriously Excel

# ABOUT THE PROGRAM

"Show Time" is a city-wide drum line and majorette team that meets weekly to expose school-aged youth to the collegiate marching band culture, by teaching them drum corps styled cadences and majorette styled dancing, while simultaneously instilling ethical standards such as respect, unity, discipline, and team work.

We cater to youth ages 5 to 17 from Indianapolis and surrounding areas, by assessing their experience and teaching at their skill level, to create a team of elite and confident young creatives.

## OUR VISION

Our vision is to build a highly competitive and effective city-wide drumline and majorette team that is premier in the state of Indiana and across the Midwest.

"Show Time" is just one initiative of our organization. BRAVE seeks to offer free courses and mentorship education on videography and film production, photography, music engineering and production, music theory, drama, dance, individual instruments, voice, and more.

We currently host our weekly classes at a local event center, but we would love to have a place to call home, so that we may offer more diverse and expansive programming for our youth. **Help us grow by donating towards our building fund today!**
